Dear Keshet Chaim Dancers,

We couldn't have done it without you... Well perhaps we could have, but wouldn't want to chance it and besides it was so much more fun sharing the success of the evening with you.

Aside from the gratification of helping so many people in need, we revel in the thought that once again actors have proven that heart and soul are the natural by-products of G-d-given talent.

Thanks to such as you, we are especially proud to be a part of the industry.

With deep-felt respect sprinkled with an abundance of love, thank you for being a part of our lives.

Sincerely,

Jeff and Jerry Cutler
