June 24, 2004

Dear Genie,

We hit a home run for Israel at SBC Park on Sunday, June 6<sup>th</sup>. The significance of *Israel in the Ballpark* goes far above and beyond the numbers of all those who kept the turnstiles busy. We had over 400 kids participate in the *Salute to Israel* parade. We had a record number of over 100 participating agencies, sponsors and vendors. The Glide Ensemble in its beautiful colors and amazing voices was a meaningful statement of support for Israel beyond the Jewish Community.

Keshet Chaim's performances were wonderful and crowd pleasing and we could not be more thrilled with the incredible success of the day. On behalf of the Israel Center of the San Francisco Jewish Community Federation, we would like to extend our deepest gratitude for helping to make the annual *Israel in the Ballpark* event such a resounding success. We feel strongly that in participating in this event, we have all worked towards supporting peace and the concept of community and showed the world that San Francisco is a city where this spirit is very much alive.

Thank you so much and we look forward to working with you on this event next year.

Sincerely,

  
Shlomi Ravid
